

The background is a dark red, textured surface. Overlaid on this are several thin, light-colored lines that intersect to form a complex geometric pattern. Some lines are straight, while others are curved, creating a series of irregular polygons and star-like shapes. The lines appear to be drawn or etched into the surface.

# Long Promised Road

*So hard to answer future's riddle  
When ahead is seeming so far behind  
So hard to laugh a child-like giggle  
When the tears start to torture my mind  
So hard to shed the life of before  
To let my soul automatically soar*

*But I hit hard at the battle that's confronting me  
Knock down all the roadblocks stumbling me  
Throw off all the shackles that are binding me down*

*Sew up the wounds of evolution  
And the now starts to get in my way  
So what if life's a revelation  
If the mind speaks only of today  
So real, the pain of growing in soul  
Of climbing up to reality's goal*

*Long promised road  
Trail starts at dawn  
And carries on to the season's ending  
Long promised road  
Flows to the source,  
Gentle force, never ending*

*So hard to lift the jeweled sceptre  
When the weight turns a smile to a frown*

Carl Wilson  
Jack Rieley

Francis Rossi

The Lord bless thee and keep thee:  
The Lord make his face shine upon thee,  
And be gracious unto thee:  
The Lord lift up his countenance upon thee,  
And give thee peace.

Numbers 6: 24-26

The special qualities of sincerity, consideration, kindness, and understanding can all be found in a very special advisor, Mrs. Mary Hastings. Since our sophomore year Mrs. Hastings has stood beside us, helping and guiding us with a variety of class projects, from jacket sales right through graduation exercises.

*Mrs. Hastings,*

*As a class our expectations were high and you were always there to lend a helping hand. You put our class activities before your personal wishes, and unselfishly, your free time was given to draw out class meetings, dances, and chaperoning.*

THANK YOU

# Proudly, We Dedicate The 1972 Colonial

When friendship is formed. As in filling a vessel  
Drop by drop, there is at last a drop

Which makes the heart run over.

## Our

Mary Elizabeth Hastings

For a number of years, Shrewsbury has been enhanced by the presence of a very unusual person—Mary Elizabeth Hastings. A Regis College graduate, and one of the more respected members of our faculty, Mrs. Hastings has devoted an incalculable amount of time to our class activities. In her few spare moments, she enjoys reading, sewing, and refinishing furniture. Also, Mrs. Hastings has enjoyed travelling to California, Florida, Austria, Germany, and Italy. Most important, however, by exemplifying her personal philosophy that "Each person must be made to feel important", she has helped many of us to realize our abilities.

Four years ago, Worcester State College provided us with one of our most valuable assets, Daniel Paul Mulcahy. Mr. Mulcahy has travelled throughout the United States and Canada, and enjoys do-it-yourself projects, and reading current affairs. He has helped us extensively and willingly with our Junior Class Play, Junior Prom, and yearbook dances, adding much through his personal philosophy: "Try to smile and be happy as much as possible because we're only in this world a relatively short period."

Daniel Paul Mulcahy

Edith Jane Patterson

"The difference between Champ and Chump is U." This quotation introduces a face especially familiar to the seniors. Mrs. Patterson has not only been an advisor but also, as a guidance counselor, has willingly helped many with college applications and personal matters. Mrs. Patterson attended Boston University and Butler University concentrating in the field of Guidance Counseling. She enjoys sports, handicrafts, and has an affinity for Africa, Europe, and Asia. For six years she has made life bearable, and we all hope that she will remain here for many more.

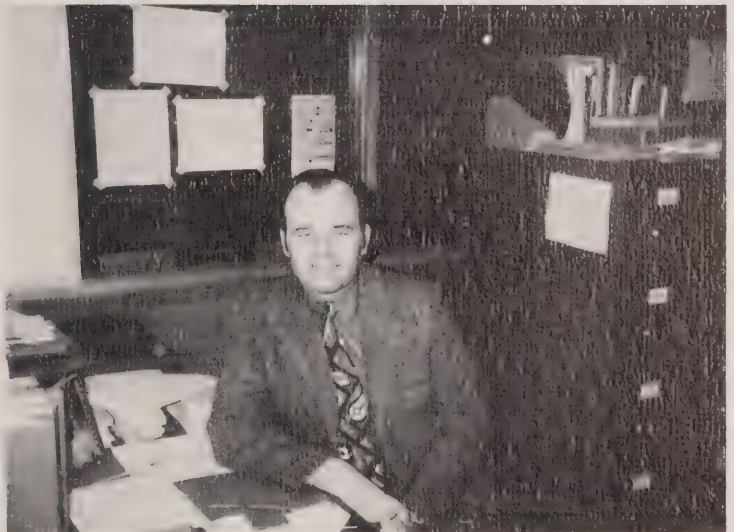

# Advisors

Peter Richard O'Malley

During our Junior year, a new face arrived at Shrewsbury. A Fitchburg State College graduate, Mr. Peter Richard O'Malley, enjoys the guitar, camp work, and traveling. His favorite spots include Majorca, Spain, England, Ireland, Scotland, Austria and Italy. Through his work in special education and with our Junior Class Play, he has helped us realize his personal philosophy that: "Each person has a hidden ability and this ability can be brought out in time. Most people can find success if they try."

"Don't worry about the little things, regardless of the pressure, try to treat everyone with courtesy and respect, even though you may not always agree with them." These are the wise words of Mr. Richard Lewis Tivnan. He graduated from Boston College, a Business Education major, and eight years ago came to Shrewsbury to teach. He enjoys bowling, photography, traveling to Florida, the Bahamas, and Canada, and his family. As an advisor, he has contributed time and effort, in support of almost all our class activities but more important, by "practicing what he preaches" he has set an example of team work and made us all feel important in our own right.

The 1972 Shrewsbury High football team finally reached their peak this year. After three hard luck years the Colonials fought their way to the top of the Midland League with a climatic 13-6 triumph over Milford High.

Coach Mario Marchisio molded the seasoned Colonials into a team with a hard nosed defense and a potent offense. Captains Don Arena, Bill Ludovico, and Nick Onorato spearheaded the defense which allowed the least number of points in Class A. The season was both a happy and disappointing one for SHS. The team played an exciting brand of football and finished high in the final standings for Central Massachusetts. For the first time in the history of the school the annual Thanksgiving Day classic was cancelled due to (inclement) weather, thus the Colonials played only eight games winning six of them.

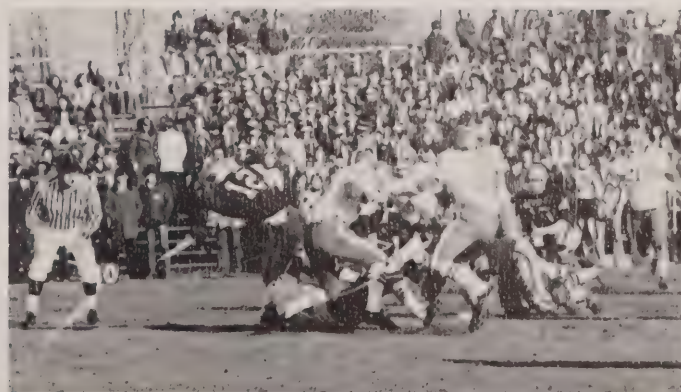

All in all it was an excellent season, ending with two players named to the Central Mass. T & G all-stars. Also Shrewsbury dominated the Midland League all star selections.

Kevin Sheehan readies himself to hit a Milford defender.

The Colonials proved to be the toughest defensive team in Class A.

Billy Brewer smashes through the Milford line for long yardage.

# Leaders

It began with a crisp and breezy Saturday morning as ten cheerleaders anxiously ran on to the field. Pep Rallies, lucky pennies, sleeping over, Friendly's and Howies—are all locked in with many other memories. Midland League Champs in football and no Thanksgiving Day game ending a great season. Basketball season was long and hard but very rewarding. Whether cheering in front of a full packed gym or just a few, S.H.S. cheerleaders always cheered hard and with a smile.

## MIDLAND LEAGUE CHAMPS

Once again Shrewsbury dominated the hardwoods of the Midland League by sharing the title with Milford High School who had the equally fine 12-2 record of the Colonials. In his first year as head coach, Mr. Tom Hennighan kept up what is now almost tradition at Shrewsbury by leading the blue and gold men to their seventh straight first place finish in the league standing.

There is no complex success formula which coach Hennighan relies on. Practices are devoted mainly to running and shooting and playing as a team. But there is one formula of this colossal Colonial team and that is simply the deep rooted pride that defies defeat and builds winners. This is what Coach Hennighan strived to instill within his players and this is what made them Champs again.

Co-captain Bruce McNamara brings the ball down court and sets up the offense.

Bobby Turo lays it up for two points.

At right: Kenny Webster rips down a rebound as Moe Williams and Kevin Sheehan look on.

## CLARK TOURNAMENT CHAMPIONS

The Shrewsbury High Colonials basketball team entered the 33rd annual Clark Tournament as underdogs to the top high school teams in the area. Led by the rebounding of John Crimmin and the inside shooting of Ken Webster the Colonial quintet pulled off a stunning upset over Bartlett High 71-60 in their first encounter of the tournament.

This win qualified them for the semifinal game against Oxford High whom they defeated 61-46 behind the long bomb shooting of Bruce McNamara. Oxford's bid for the championship fell short, so now Shrewsbury was to meet the Wachusett Mountaineers who were the defending champs and highly favored.

Again, behind the outside shooting of Mac, who scored 31 points, great ball handling by Bob Turo, strong rebounding by Kevin Sheehan and John Crimmin over the much taller Mountaineers, and high scoring Kenny Webster enabled Shrewsbury to stay on top. Sixth man, Jimmy Donovan also did a fine job relieving Kevin Sheehan and Weber when they got into foul trouble. At the final buzzer Shrewsbury had beaten the fiery Mountaineers 79-59 and the jubilant fans went wild.

The crowd goes wild!!!

"Big Moe," doing his thing!

The more pressure put upon the Colonials the better they seemed to play and near the end of the season they had the "fast break" almost perfectly mastered.

Pride, determination and discipline: These three characteristics are necessary to play baseball for Shrewsbury High. With a veteran nucleus, a strong bench, and undying spirit, the Colonials once again achieved baseball supremacy.

Loosening up before the meet.

A smile is seen on the coaches faces after a victory.

The Shrewsbury Cross Country Squad has a certain pride that makes them a closer team. Captains John Crimmin, Bill Rezuke and Tom Carmody have led their team to another victorious season.

In sports, you're either a winner or a loser,—it's as simple as that. Here at Shrewsbury, we're all winners—each and every one of us. We're winners because we think that way and act that way and we don't take second place to anyone, anywhere, anytime. We walk straight and hold our heads high. Because that's the way it is at Shrewsbury.

Practice, practice, ever on the move, plugging daily to improve. . . .

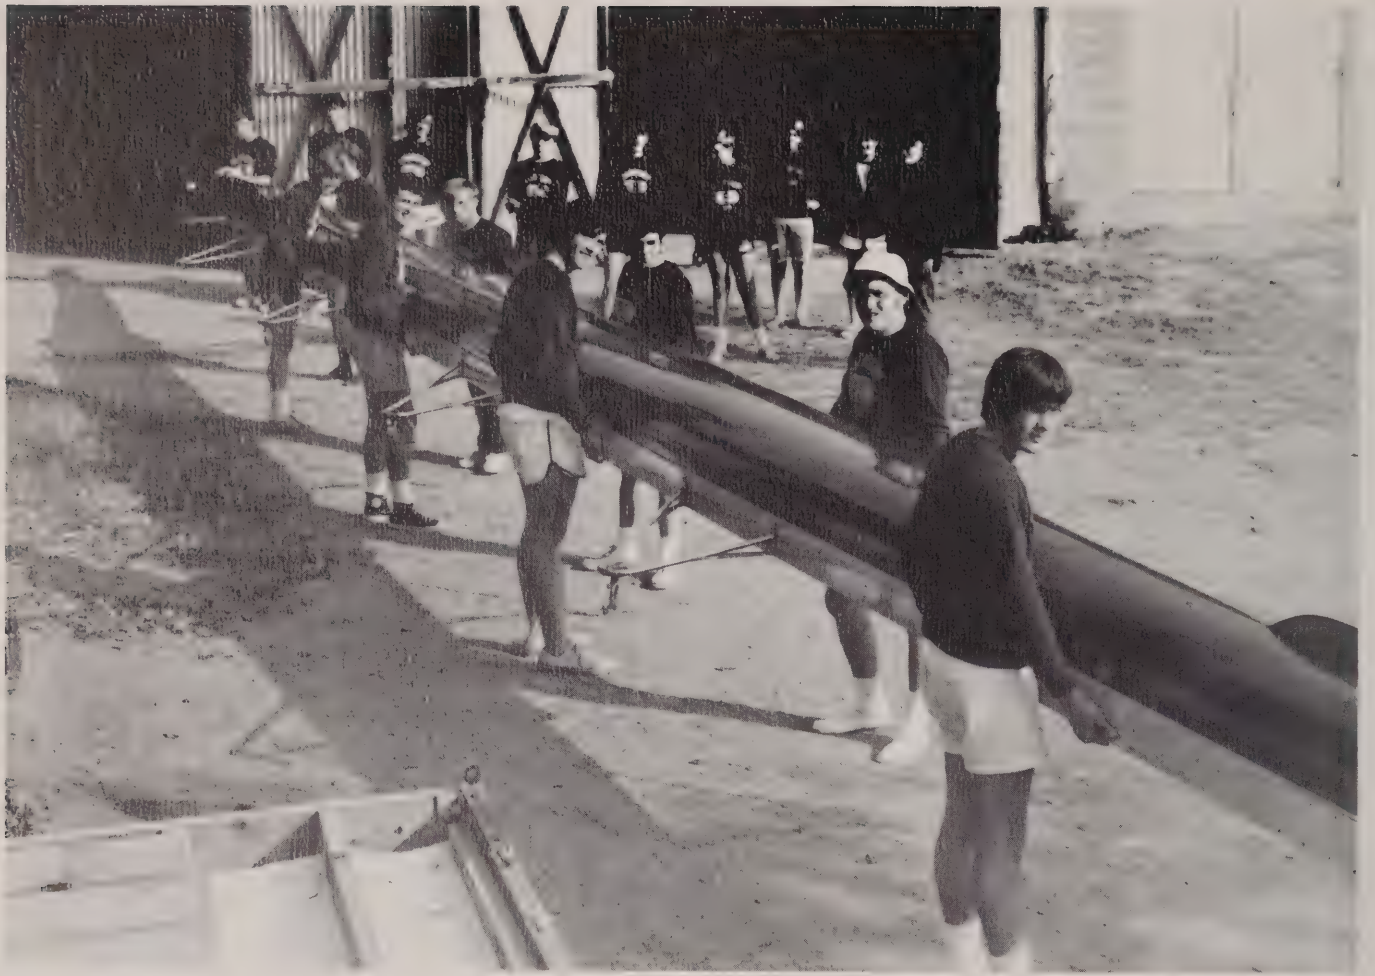

The start of the race!

A conference is held before the meet.

# Crew

Starting from first man: S. Loomer, R. Holland, J. Clifford, G. Billings, J. Carr, M. Harris, P. Gustafson, D. Ela, J. Billings, F. Iovieno, P. Regan, M. Ballaonis, M. George, L. Hamestrem, C. Busky, J. Holden, Coach Burns.

Stroke, Stroke, Stroke. . . .

Polishing the shell before a race.

Coach Burns gives out some advice.

Crew is a team effort!

Bob Holland and Jerry Billing get ready to go.

Crew is an all year round sport. All during the summer the team runs to get in shape for the Fall rowing season. In the Winter months they will go into weight training programs to build up their arm and leg muscles and when spring comes they are ready to hit the boats again. Coach Burns is one of the most knowledgeable crew experts in the country and he proves this every year coaching at Shrewsbury.

Practice lasts until the end of the day.

Seniors Steve Loomer, Bob Holland, Jay Clifford and Jerry Billings start practice.

# Golf

Under the supervision of first year teacher-coach Dennis Hursey, Shrewsbury High School had its first soccer team. Although only a first year team, the boys practice diligently learning fundamentals of the game, both offensively and defensively. The team was made up of strictly sophomores and juniors as Coach Hursey prepared the boys for next year's varsity schedule. Led by two strong defensive players, Tony Catanzaro and Paul Josephson (captains elect for next year), soccer will provide much excitement for the future.

# Shrewsbury Youth Hockey

Although Shrewsbury High does not have a hockey team of its own, the town is never-the-less superbly represented by the Shrewsbury Rangers Youth Hockey Team. Led by their captain (pictured at left in center), Jay Sweet, and alternates Pete Lusignan (left), and Mark Sweet (right), the team ended with a fine winning season.

Kneeling: S. Pelletier, J. Casey, S. Regis, T. Alarie, H. Hamilton, D. Willis, B. Surrence, R. Flynn, B. Lunberg. Standing: Coach M. Lusignan, T. Colson, B. Wilhelmy, P. Snow, J. Corey, D. Fazio, P. Sena, M. Sweet, P. Lusignan, Coach J. Gaston.

"Team-work"

Dave Bilouris flies over the hurdles!

Relaxing after a victory. . . .

Gary O. leaps high in the sky.

Billy Brewer gets set for a 40 yard sprint.

In its first year of existence at Shrewsbury High, the Indoor Track Team (Winter Track), kept up an old Shrewsbury tradition by having a winning season. The boys ended with a 4-3 record in the very competitive Massachusetts Suburban Indoor Track League. Coach Dipilato had only a handful of seniors to rely on and they competed admirably. The rest of the underclassmen did their share, and it was a big share—thus everyone was happy.

# Basketball

We're from Shrewsbury, couldn't be prouder  
 There's no doubt you can't hear us, cuz no one's any louder!  
 When girls bump into Sandra, they don't come back again  
 When "Zraz" steals the ball, she says "Thank you" to them!  
 When the whistle blows and Katie gets called, she says  
 "What did I do?"

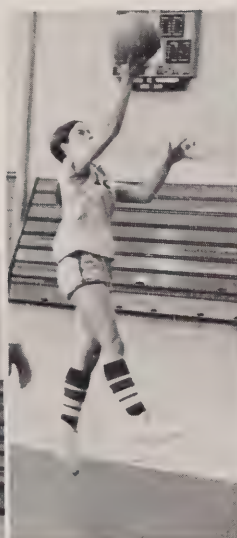

Baron just isn't the same any more, the seniors got to you!  
 Gail was killing her teammates and was told to cut her nails  
 Melissa got called for charging . . . that head fake never fails!  
 Daviau's flakey as ever, but her rebounding helped us alot  
 Kirby was always a lady, an aggressive player she's not!  
 Now Wils is another story, she'd get position any way she could  
 When Carey came up to varsity, she did us alot of good!  
 Bill didn't make alot of noise, but we knew she was always there!  
 These are the kids that make up our team, and that's why we had  
 a successful year!

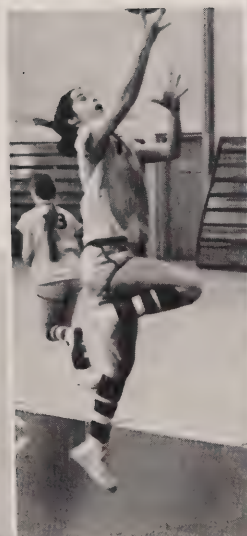

TO BE A WINNER!

Trial of the Mawk

The class of 1972, and in particular the yearbook staff, wishes to take this opportunity to thank Paul Lavelle for his long hours of tedious work on the 1972 Colonial. Mr. Lavelle's tolerance in our more controversial moments and his unselfish assistance made the hard weeks of work more bearable. Without his knowledge of yearbook production and his persistence in getting the work done on time deadlines would not have been met.

Thanks Mr. Lavelle, you made it all happen!

# CLASS PROJECTS

"This is the way we were, in our growing up and in our marrying and in our doctoring and in our living and in our dying."

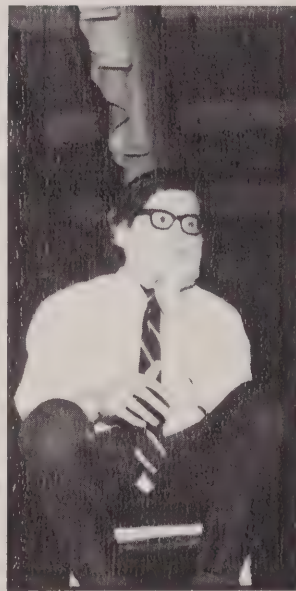

"Now level with me George, have you been tripping?"

"Are you the fella I'm supposed to do next?"

"Did you hear about the turkey in the straw?"

"Yeah, I heard about the turkey in the straw."

"I knew I should have gone to Mickey Green's!"

Tom it belongs on your face!

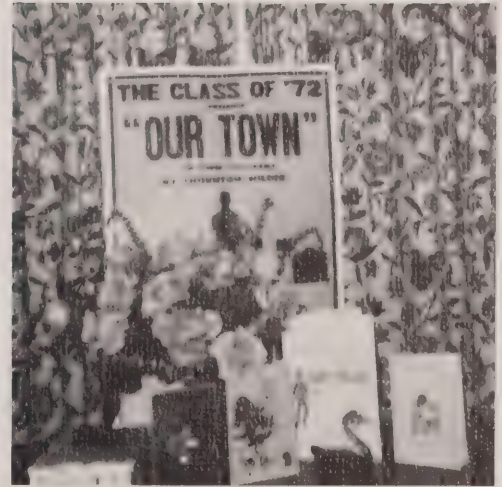

One of our more serious moments.

# Town

"It goes so fast. We don't have time to look at one another . . . I didn't realize. So all that was going on and we never noticed . . . Take me back—up the hill to my grave. But first—wait! One more look. Good-by world. Good-by Grover's Corners . . . Mamma and Pappa. Good-by to clocks ticking . . . and Mamma's sunflowers. And food and coffee. And new ironed dresses and hot baths . . . and sleeping and waking up."

"Do any human beings ever realize life while they live it—every, every minute?"

Colour My

World

*As time goes on, I realize,  
 Just what you mean to me  
 And now, now that your near,  
 Promise your love,  
 That I've waited to share  
 And dream of our moments together  
 Colour My World with hope  
 of loving you.*

Hi, neighbor have a . . .

I hope it really blows up for a change

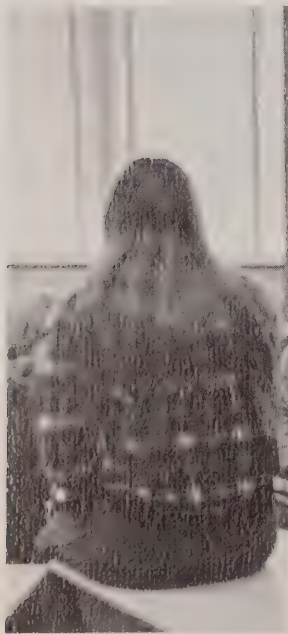

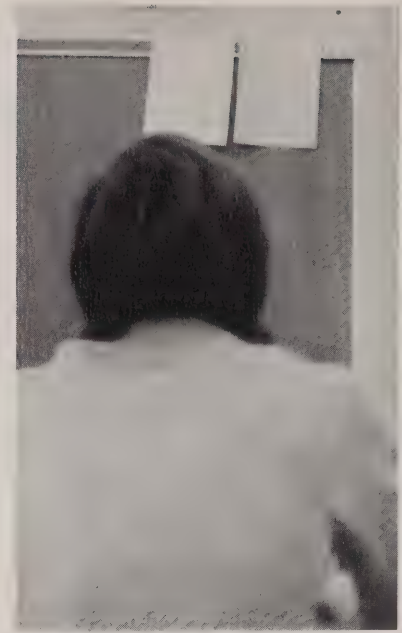

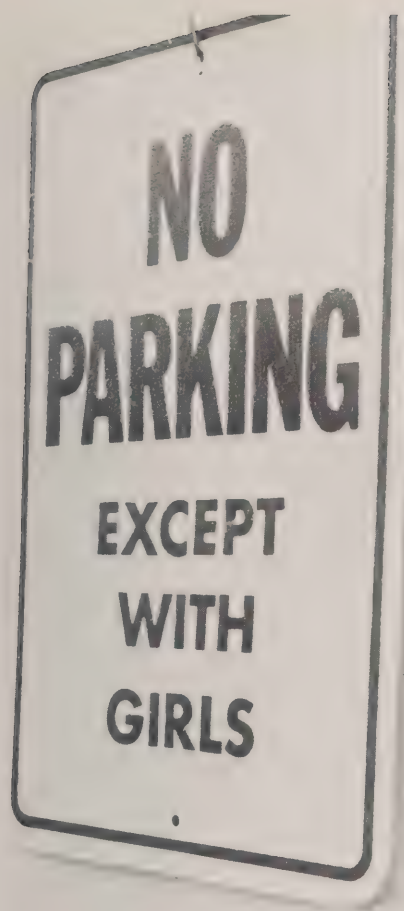

Opening Night!

Thanksgiving Day Disappointment

At last! The right size brain for Igor.

Who needs you!

Mr. Vella says it's farcical.

Let them eat cake.

"If Jay gets elected, we'll send him to Peking."

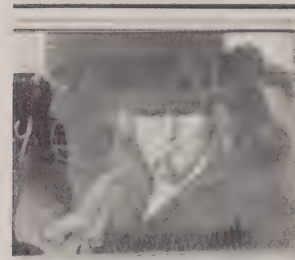

To stop a crime, light a light.

Queen for the day.

What are you three doing in the back of the room?

"Has anyone seen my brain?"

Bubbles Larue?

"Wanna buy some football cards?"

"But this IS a down staircase, Mrs. Holland."

"College Bowl again?"

"You still have a half-year to go, ha ha!"

"I wuff you!"

"I never said I was a chemist!"

Give him an audience, and he thinks he's Liberace.

"What are we getting tonight?"

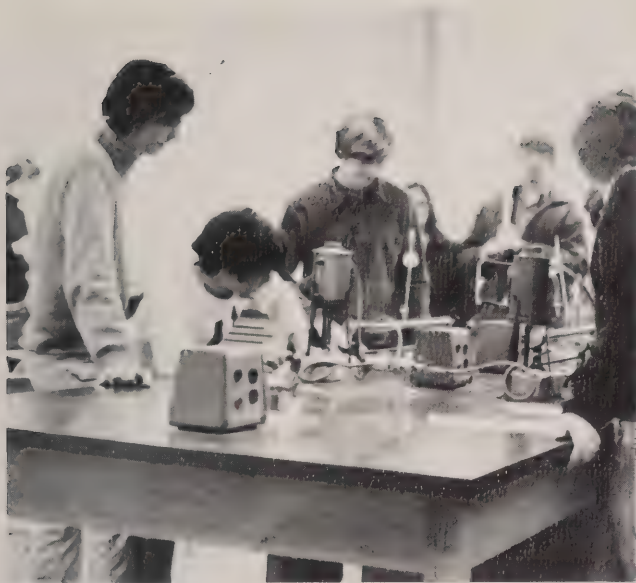

"He's my friend, but he won't be seen with me."

"Ooh! Maybe this one will take you out!"

"And then Cinderella flew down the stairs . . ."

"Is it soup yet?"

"Whoever said money is the root of all evil—meet me after school."

"When is recess?"

"Me and my conscience."

"Another C, Mr. Smallidge?"

A typical S.H.S. bomb scare.

Student Council donates a check to the Cancer Research Fund.

## Politicians''

This year the Student Council has diligently worked for the betterment of our school. For the first time members met with the School Committee to discuss smoking and the prices of dances. Fund raising campaigns were held for the heart and cancer funds. Various members participated in local meetings and Shrewsbury was well represented in the National Convention by President Karen Kaletski.

Some members of Student Council await the start of the School Committee Meeting.

Members of French Club.

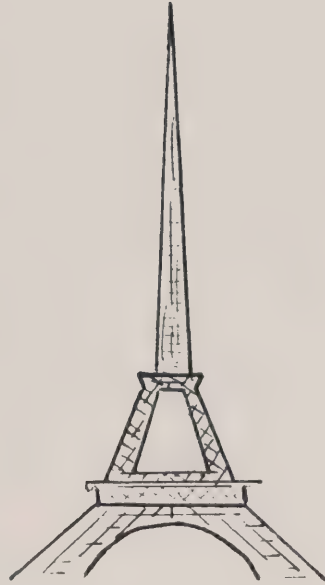

Sorry, Mrs. Ford, but your check bounced.

Don't look now but Karen is trying to take over the club again.

That way.

## Vive Le Cercle

Cette année, les jeunes filles du cercle français ont travaillé diligemment de s'enfuir le pays. Leur destination était la plus belle ville de Canada, Montréal. Après le premier séjour (1970), les membres ont fait un vœu à revenir. Enfin, elles ont tenu leur promesse et ont attaqué la ville en avril.

D'autres événements mémorables de l'année étaient nos ventes de chandelles et de papeterie, et notre fête de Noël où nous nous sommes amusés en mangeant la bûche de Noël de Mlle Nobiletti.

Nous ne pouvons pas dire beaucoup de choses (surtout en français), mais nous pouvons toujours dire que nous nous amusons très bien.

Bake sales, gift wrapping, and the selling of stationary were among the things accomplished by the Spanish Club this year. Proceeds from these various projects are being sent to help a needy child of Spanish descent. The Spanish Club was designed to aid them in understanding the Spanish culture. At the club meetings one may frequently find them speaking in Spanish. With the help and time of their advisor, Miss Howard, many of the above wouldn't be possible.

The Three Musketeers go to Spain.

# Latin

S.H.S. Latin Club in action.

Latin appears in art as well as in books.

# Club

I have diagramed it out so now do you understand?

Each month the members of the Latin Club gathered together to bring a touch of the Romanesque to S.H.S. They succeeded in doing this through culture projects, which delved into history and background of the language and times. Although the students were unable to take field trips, they accomplished much and had a lot of fun, too, under the guidance of their advisor, Mr. Henry Sullivan.

Now you have a knowledge of architecture about the Roman Coliseum.

"Good morning, Mr. Phelps. Your mission, should you decide to accept it . . ."

A group of five students devoted to the art of photography have joined to form the Shrewsbury High School Photography Club. Their dark room is not only well stocked but also provides a home away from home for these avid camera buffs. Learning the different mechanisms of various cameras and perfecting the process of negative and print developing takes up many of their after school hours. With the aid of their advisor, Mr. Pottle, they are learning the fine techniques used in professional photography.

For the better part of the school year they solely composed NHS. In February, another 20 members of the class of 1972 were taken in. This year they have sponsored two bake sales to raise scholarship money and have run a "Toys for Tots" campaign. At Christmas time they provided a food basket for a poor family.

Hear Ye! Hear Ye! Hear Ye! I'd like to announce that the Shrewsbury chapter of the NFL has had a very successful year. After diligently working on the football concessions and mastering their own speeches members went on to make a rewarding showing at many tournaments. At St. Peters High School six 1st place medals were won and Shrewsbury also came home with the team trophy. At Masconomet High School, one of the toughest events of the year, both Kris Larson and Tom Rosiello won first place trophies. Most important of all it united different individuals to a common goal and bound them with friendship.

The students, besides learning such catchy phrases as, "Chief, hold the front page, I've got a Flash," and "Keep those presses rolling," have been taught the finer art of distinguishing good journalism from bad. Through it all they have upheld the motto of "All the unswervingly news that's let to print."

Have a cup of Campbells.

Shomty is a group of hard working girls who unite to increase their knowledge of the business world. At regularly held meetings the girls merge their talents and efforts, with the aid of the business teachers, and prepare themselves for the efficiency and poise demanded of today's businesswomen. Their annual Christmas party held prior to vacation, was thoroughly enjoyed by all the members and advisors. Participants of Shomty show their benevolence by donating food baskets to needy families of the Worcester County area during the holiday season.

S.H.S. CONCERT CHOIR

Once upon a ladder?

Eighty well blended voices make up Shrewsbury High's Concert Choir. Under the direction of Mr. Jack Feldheimer, the choir participates in various concerts throughout the year. Among its activities the Concert Choir staged a musical comedy called "Once Upon A Mattress." Many of its members are talented in the field of music and will pursue a music career.

It has become the pattern in the previous two years to have a full squad of six majorettes to participate with the band in the halftime show. Last summer a group of six girls practiced to master the skills of baton twirling. In September they matched their skills to the rhythms of the band instruments. This year under the direction of Captain Georgia Demarky the girls developed several new routines to catch the interest of halftime on-lookers.

# Colorguard

A group of seven girls lead under the direction of Captain Beverly Simmler are taught the skills of marching as well as how to honor the flags. Halftime entertainment gets under way when these seven girls march out to the sounds of the drums in front of the band. The girls march with precision and excellence at all times counting eight steps to a yard line.
